PLATINUM SERIES

Copper Metal: high heat conduction and super heat dissipation

Excellent Heat dissipation with Copper tapes and Aluminium tapes
The latest metal heat wire, high efficient heat dissipation. larger heat dissipation area.

Special LED light source for automobile

PHILIPS Lumileds
LUXEON ZES CHIP

Brand-new Micro heat pipe technology. Excellently thermal conductivity more than 50 times of copper (20000W/mK)

The EMC:

- Wide voltage and constant current design, working voltage range 9-36v,
- smart constant current IC protect the chip always safety working.
